CAERULEA

1960

In over thirty years of service to youth through her school work, Margaret Ward has vividly defined the meaning of dedication. Her abundant cheerfulness brightens each day for those around her, as she willingly assists the students and adults who come into the office. No request is ever too trivial for her to give up her time and attention. The students and staff dearly respect and admire Miss Ward for sincere friendliness combined with her devotion to duty.

Although her working hours end at 4:00, she often works late to prepare special reports on young people in order that they may have a greater opportunity to win scholarships and awards. She is never too busy to help some aspiring student secretary cut a stencil or prepare a notice. Likewise, she diligently guides many a new and bewildered teacher over the rough periods.

Miss Ward attends most evening school sports events and school productions, for the activities of the students are of the greatest interest to her. If one person were to be selected as the epitome of Poly High's excellence in action, Miss Ward, through her enthusiasm and charm, must be that person.

Miss Ward is Secretary to Poly's Principal, Neil W. Philips.

FOREWORD

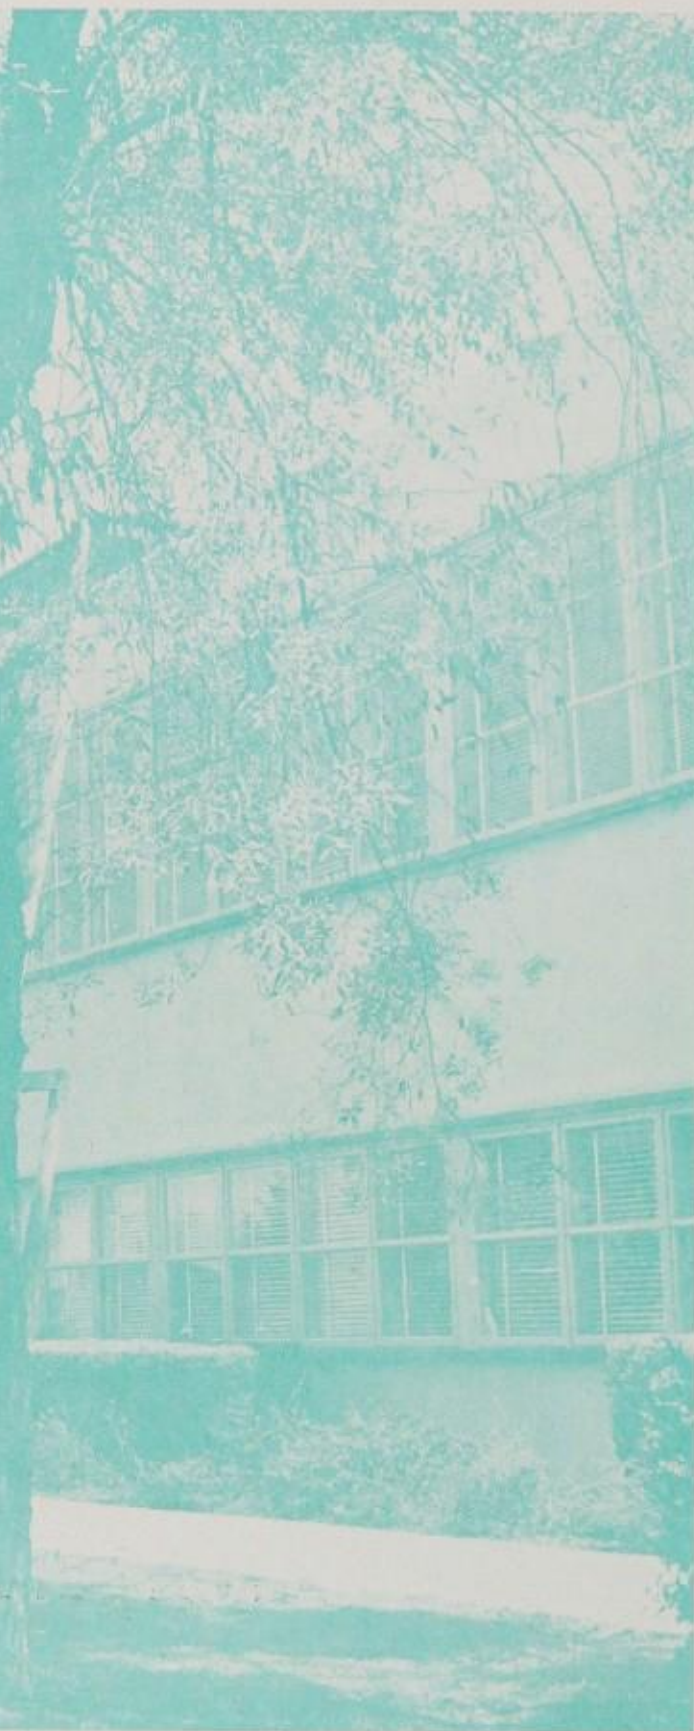

Everyone has certain goals in life. Some strive for the ultimate in perfection, while others are satisfied with mere minimum achievements. Whether we are aspiring toward the highest goals or seeking lesser gains, we are all aiming for excellence in order that we might create a better world. Since achievement is our aim, we have chosen **excellence in action** for our theme.

Excellence can be obtained only through self-discipline, sincere determination, and diligent application. As we have seen through the year, excellence is achieved through the setting and attaining of high goals.

Throughout the school year we have seen definite application of excellence in both the areas of scholastic achievement and in the field of athletics. Various forms of open recognition, such as scholarships, merit certificates, and awards have been presented to outstanding students in numerous fields. We have again this year attained high honors in the field of athletics. We are proud to be recognized throughout Southern California as the champions in most of the athletic fields. Even though it has not been possible to give personal recognition to everyone for his endeavors, it has been illustrated time and again that a great number of our students have excelled in many different ways. Our school could not function properly without the active participation of each individual striving toward his or her own level of excellence.

We look to the future with optimistic visions of fulfilling our desired goals of perfection and excellence. It is our sincere hope that future generations will uphold, and even go beyond the standards that we have set. We hope, too, that future goals will not prove ephemeral but will be realized through **excellence in action**.

A W A R D S

Outstanding achievement should be shared, not only to salute the benefactors, but also to act as a spark of inspiration to others who are still working toward an unrealized goal.

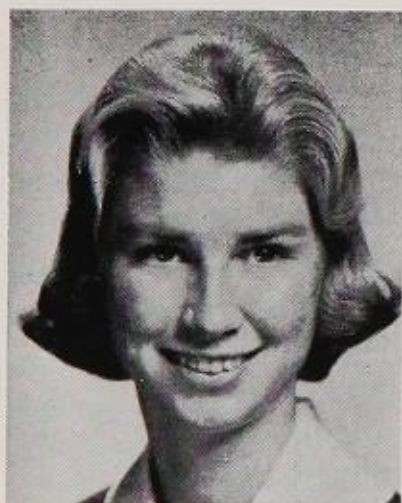

A goal is the keynote to success.

Ambition and hard work are important and vital, but a goal is the compass by which we steer our course in the journey of life. Throughout the Awards section you will meet students who have given some part of themselves to academic and extra-curricular activities.

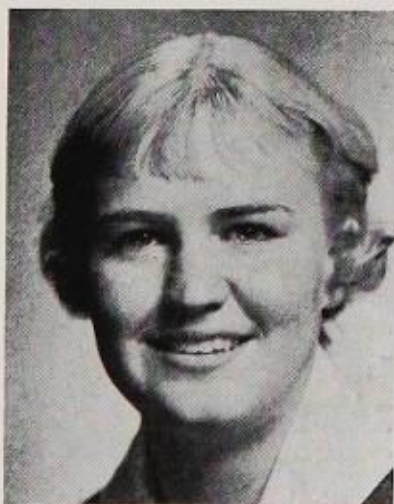

We feel that these students are truly award winners from their demonstrations of conscientiousness and scholarly interest. Congratulations to those who have reached this horizon of accomplishment on their journey into life.

The Caerulea staff is especially proud to present the 1960 Caerulea Awards. These awards of merit are determined by the members of our faculty in the various phases of our high school curriculum.

We feel that these students in their respective fields have attained the essence of our theme —
Excellence in Action.

Potential Sealbearers

Attaining the Sealbearer honor is the highest scholastic recognition given to California High School Students. Potential Sealbearers, who are able to gain one more semester of scholarship by the end of their senior year, giving them a total of four semesters of membership, will be able to have the seal of scholastic achievement adorn their diplomas. To achieve the lamp pin and the seal on the diploma should be the goal of every high school student; the California Scholarship Federation offers these awards as a symbol of accomplishment and excellence in academic pursuits.

Chapter 22 of the California Scholarship Federation has enjoyed many activities this year. As a group they were honored at a Scholarship Honors Day at Long Beach City College. They have also been on Field Trips to Redlands University, Exposition Park and Museum, and the University of Southern California. At the annual Awards Banquet, which was held in April, seventy-six Sealbearers were honored. Twenty-two Potential Sealbearers were also striving to receive gold seals on their diplomas by June.

SPECIAL AWARDS

GEORGE TRACY

"The Outstanding Teacher" of the state of California is our own George R. Tracy, Long Beach Polytechnic High School physics instructor. He was nominated by a UCLA student and chosen by a faculty committee, and received a 600 dollar reward at a luncheon ceremony at the UCLA Faculty Center, Friday, April 29, 1960,

Tracy was one of five teachers chosen from schools all over the state. One hundred-sixty teachers were nominated by UCLA upper division students who had attended the public, private, or parochial schools of this state. Ten finalists were chosen and they were observed in action by a member of the faculty committee. Ten teachers were selected on the basis of their contributions to the preparation of students for university careers.

FAITH ZINK

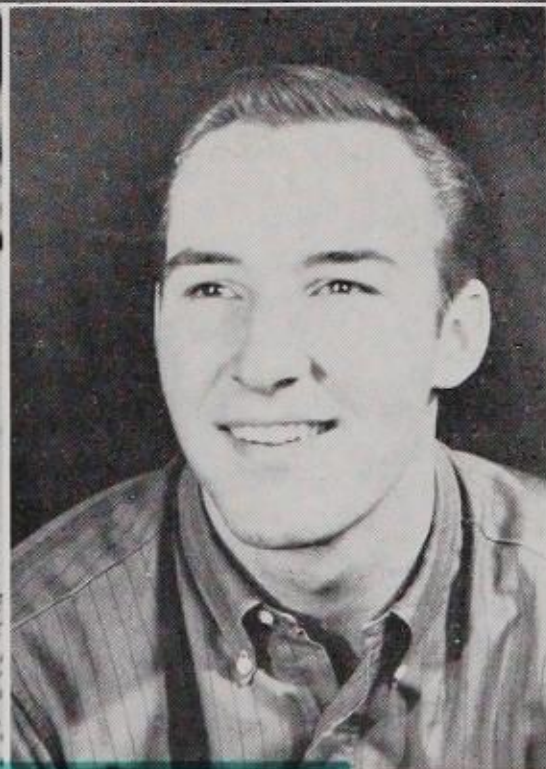

Faith Zink did a commendable job during the fall semester as the second girl Student Body President in Poly's history. Faith has represented Poly as a Girls' State Representative, Buffums' Young Careerist, President of Poly Picture Loan, Sealbearer, and Senior Class President. She is a member of Portia and Scarabs. Faith has received her Two Jeweled L and her Minor L in GAA. A four year leadership scholarship from the University of Southern California has been awarded to her, and she plans to earn her teaching credential and degree from her college training.

RALPH RIDGEWAY

During his sophomore, junior, and senior years at Poly, Ralph Ridgeway was elected President of each class. Now as Student Body President of the Spring semester he possesses the qualifications of leadership, friendliness, and efficiency. Ralph has represented Poly as an American Field Service Foreign Exchange Student to Norway and at the White House Conference on Children and Youth. He is the proud bearer of Poly's coveted service and activity award — — the Gold L. He is a member of Rota and Sphinx, two of Poly's service and social clubs, and has also lettered in Water Polo. His future education plans include attending the University of Southern California.

The Student Government class has been very active this year and has introduced many new policies to better the school's present program. A new Constitution has reorganized the Poly student body in enabling more students to be active in student leadership. The Campus Control Committee has been instrumental in establishing a tradition which will continue throughout many years. A new activity was introduced in the spring semester which helped to acquaint many students with the teaching profession; this was the Student-Faculty Day which is going to become an annual activity. An orientation movie for incoming sophomores depicting life on the Poly campus was completed which featured all phases of campus activity. Also, to further Poly's publicity, a magazine article was introduced to many of the national magazines to acquaint the community with the Home of Scholars and Champions.

Among the routine activities of the Student Government class are the council and commission meetings held every Wednesday and Thursday respectively of each week. These meetings are instrumental in bringing about the many new activities and programs to the student body.

The Student Government class of 1960 wishes to extend to Mr. William Miller, the Director of Activities, their gratitude for his unceasing efforts in making the 1959-60 student government a successful function on Poly's campus.

A great way to recognize many of the desires of Poly's large student population is to first find out what they want. Suzi Savitz and Sharon Hulslander seem to have hit upon a "By George!" idea!

GIRLS LEAGUE

Fall semester, the Girl's League was led by President Pennie Capen. The semester began with the annual New Girls Party held for all new girls coming to Poly. One of the biggest undertakings of the semester was the Girls' League Pizza Party. This was the first time Girls' League has ever sponsored a pre-game activity in the evening. Because of the success of the Pizza Party, Girls' League is in hopes it will become a tradition at our school. Equally successful was the Girls' League assembly which serves to familiarize all girls at Poly with the functions of Girls' League. The Spring semester was led by President Sherry Jones. Under Sherry's leadership, Girls' League held the annual Porter Day in conjunction with Hi Day which was concluded by the Backwards Dance. Its theme was "Paris at Poly." Miss Zelsdorf served as Girls' League sponsor with Barbara McMichael, Judith Rowlett, and Ruth McConnell.

Boys' League is an organization in which all boys enrolled at Poly have a membership. As a student body organization the Boys' League has three main objectives: it endeavors to develop student leadership, to promote athletic and social activities on campus, and to render service to the school and to the community. During 1959-60 the Boys' League participating membership grew in both size and spirit. All the events that they sponsored, from the Intramural Sports Program to the sales of programs at the games, were very successful.

CAERULEA

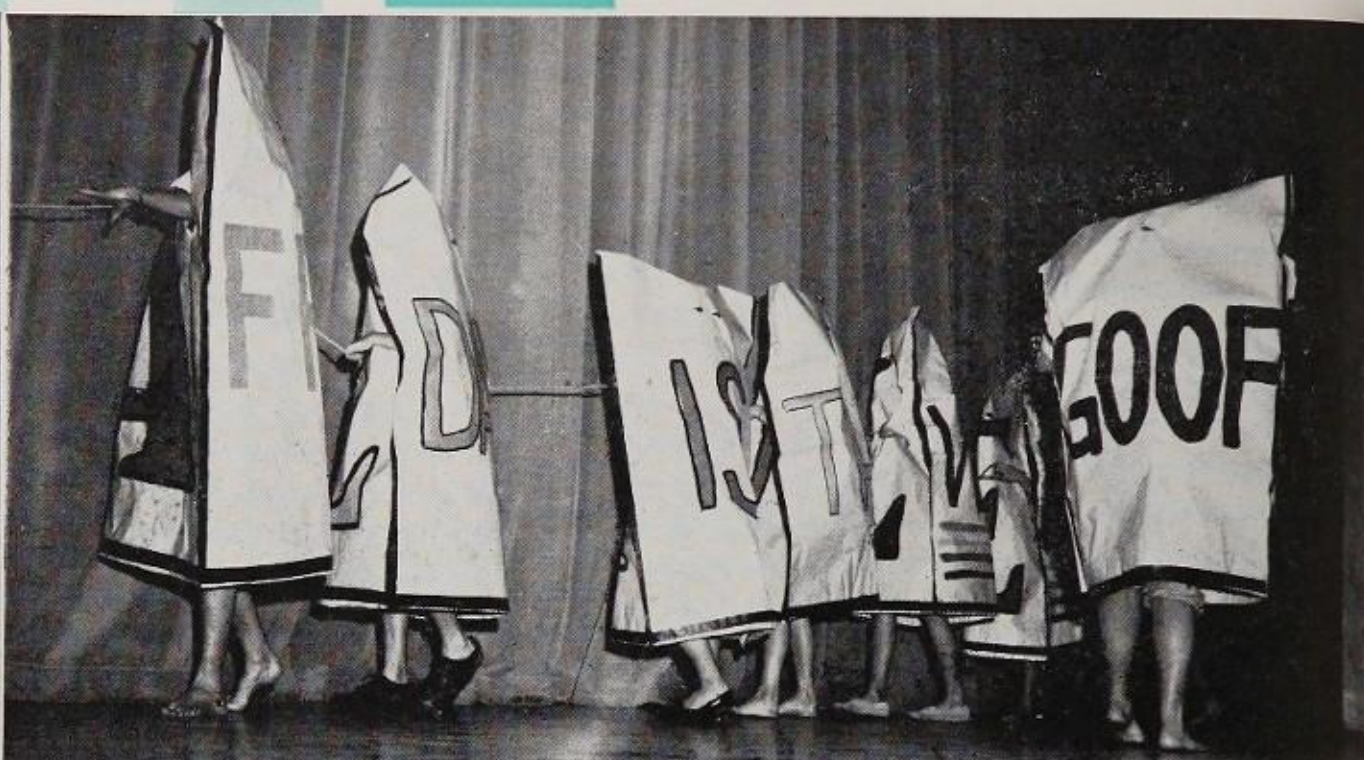

Since early in the year the Caerulea staff has worked diligently to produce this 1960 Caerulea. They have strived toward excellence in the highest degree.

In the Caerulea classroom, staff members learn about the technical aspects, such as methods of producing yearbooks, writing copy, making layouts, and organizational functions. Yearbook production is a dynamic learning situation that combines the techniques of journalism with lessons in understanding human relations in an educational environment.

Our book could not have been produced without the kind and loyal assistance of many, besides the staff, who helped to produce this yearbook. The staff expresses its deepest thanks and appreciation to the advisor, Mr. Don Ulrich, for his persistent efforts and assistance, Mr. Carl Johnson and Maxine Summerlin of Martel Studio for the Photography, Nelson's Engraving House, Nick and Bill Edwards of Queen Beach Printers, S. K. Smith Company for the book covers, Bookbinders Company, the Independent-Press Telegram for many exceptional photos, King's Pet Shop for the use of Chester who is featured in the Senior Section, the High Life staff writers, and Mrs. Lavelle Hays and Miss Marge Smith for their patient and unending help.

Enthusiastically scurrying about to produce an interesting and informative newspaper are the journalism classes of Long Beach Polytechnic High School. They have contributed 16 issues of commendable reading material concerning current events, feature stories, society, and athletic achievements plus one literary issue to the student body.

Consequently striving for an improved and entertaining literary achievement, the students select editorials that they feel informative and character building. Numerous candid photographs illustrate and beautify the stories. The processes of proofreading and constructing dummy page plans are necessary before the strenuous and time-consuming responsibility of engraving begins.

The next duty of the students is to distribute the copies to the faculty of other schools and individuals affiliated with journalism. They also sell High Lives to our student body.

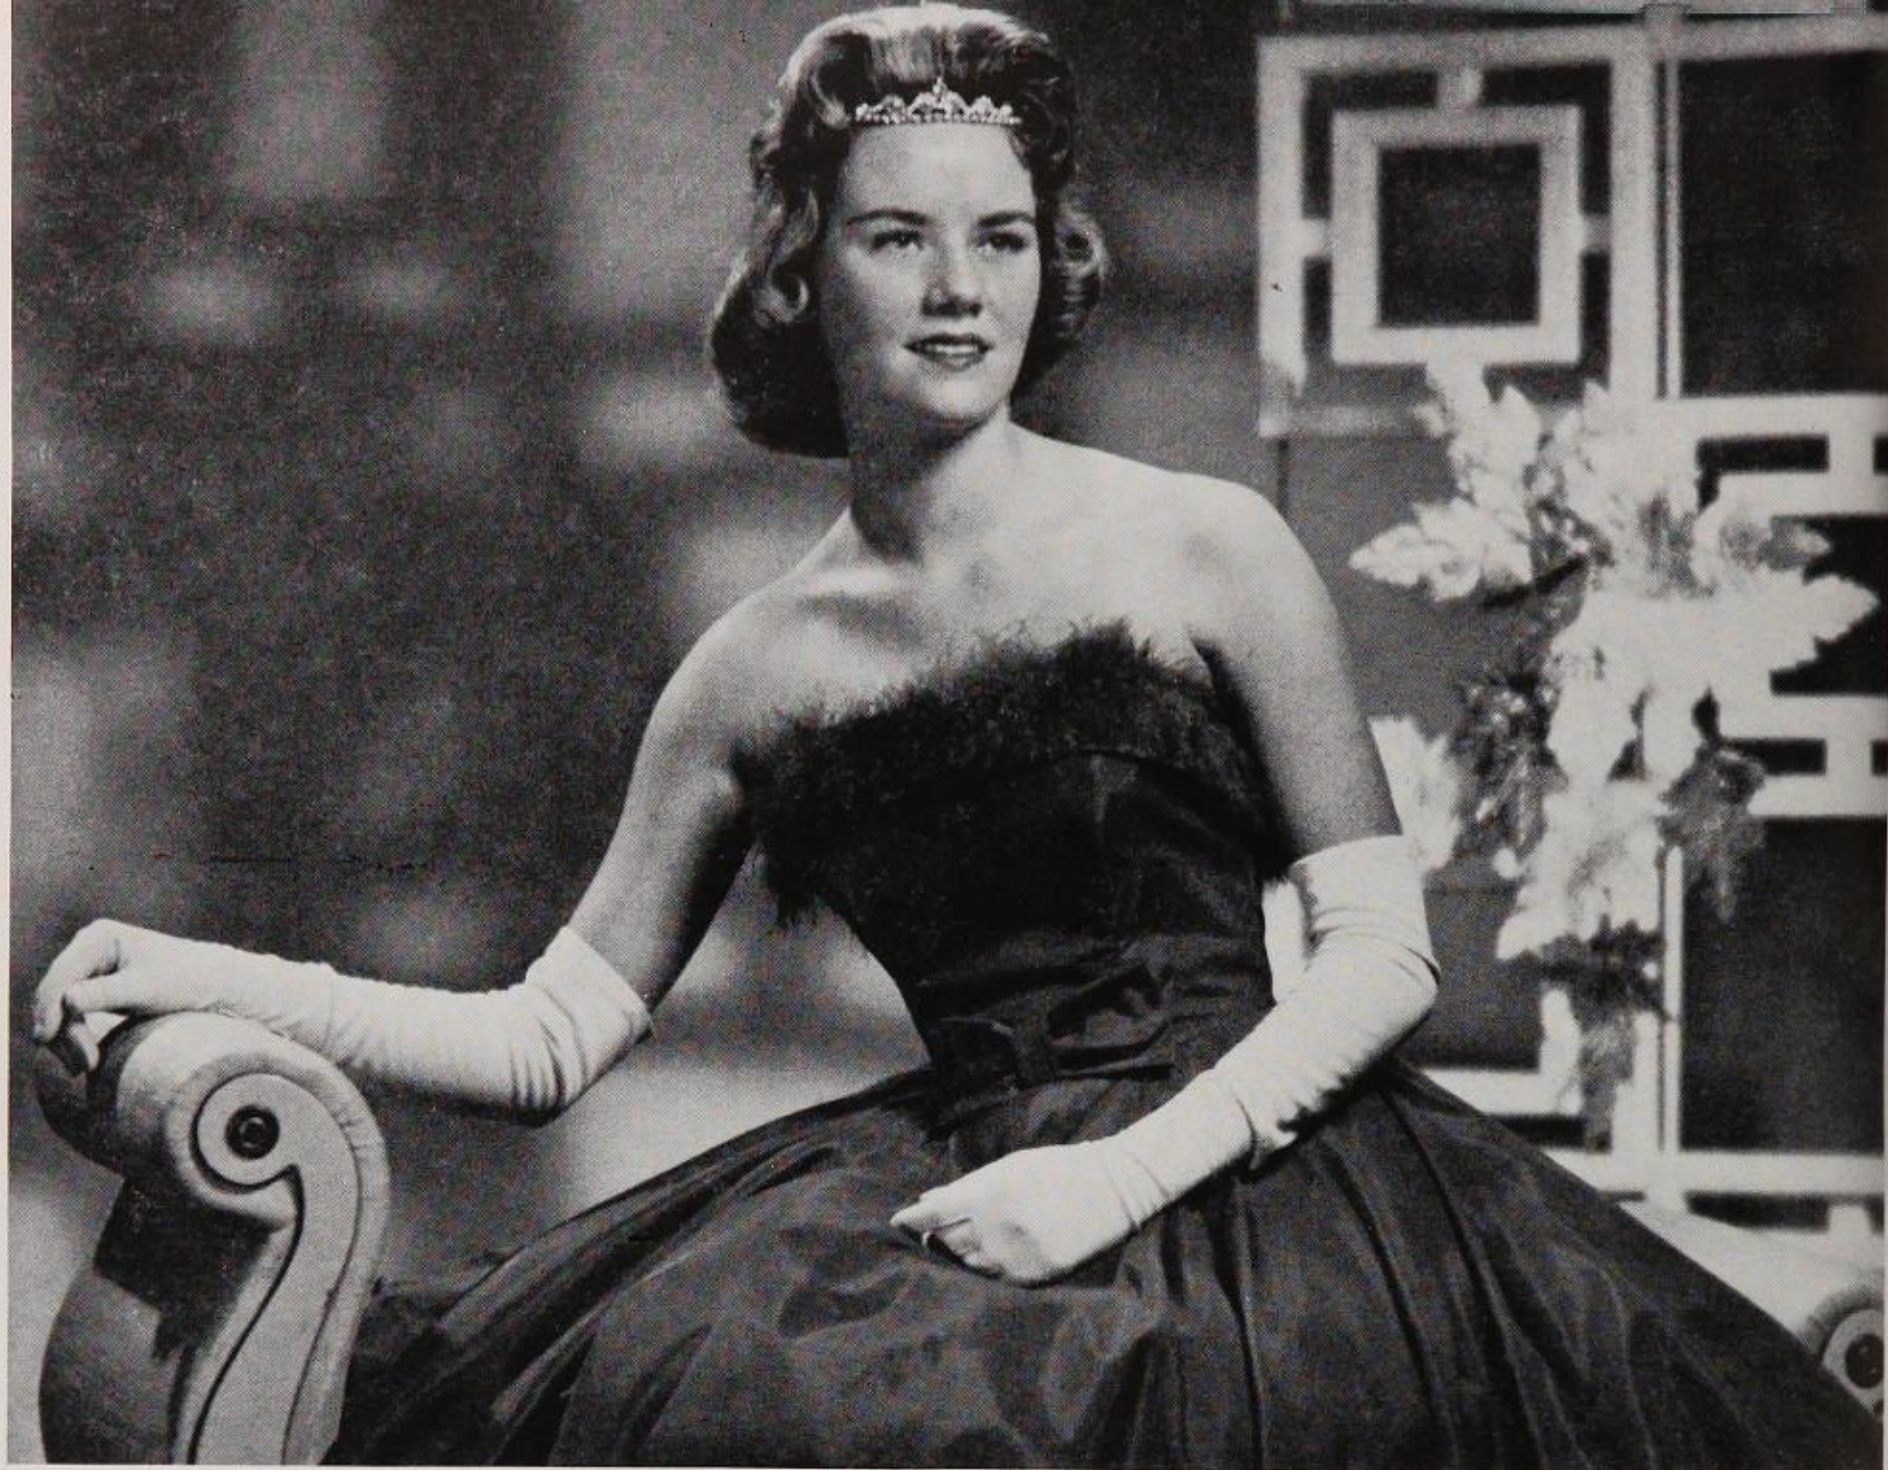

The journalism classes are instructed by Kenneth S. Jensen, assisted by editors Mitsuye Hamada and Bob Bruning, who recently planned the annual banquet of the journalism classes in commemoration of its past achievements.

Poly is indebted to these journalists and their instructor who have devoted their time and efforts to provide us with informative and entertaining issues concerning the numerous campus activities, and presenting them in a form with a title symbolic of the acclaim achieved by Poly — — the High Life.

Homecoming Queen - Lavonne Hyden

Princess Virginia Minick

Princess Cherianne Brown

A fanfare of trumpets . . . the hush of the crowd . . . an excited gasp . . . a few happy tears and a smiling face . . . the Homecoming queen is crowned. For her, a moment that will live forever, and for Poly, the high point in its Homecoming Day celebrations. Miss Lavonne Hyden reigned as Queen with her four senior princesses: Cherianne Brown, Virginia Minick, Pat Perry, Sharlene Shiba. Their escorts were: Dave Schinnerer, Rick Van de Water, Mark Reichner, and Dan Bond. The Queen's escort was Ralph Ridgeway.

The 1959-60 Homecoming Queen was lovely Lavonne Hyden. She has held the offices of Secretary of Sophomore, Junior, Senior classes, and Commissioner of Welfare. Lavonne is a member of Scarabs and Masque and Sandal. Her future educational plans include Long Beach State College.

"Oh no, not me!" Now, really!!! Homecoming Queen Lavonne Hyden screams as she is officially crowned queen of Poly's 1959-60 Homecoming Festivities. Sharlene Shiba, Virginia Minick, Pat Perry, and Cherianne Brown look on with laughing excitement.

Senior class president Ralph Ridgeway seems to be performing all his duties with all the assurance and aplomb of an official cape hanger.

Jack Dilday, Karen Wood and Leon Richman get the "Autophosis" off to a rolling start with a customized M-G "T.C." which was kindly loaned to the gallery by Mr. Frank Manson, a prominent member of the Long Beach M-G Club. The "Autophosis" is a non-competitive car show featuring top customized cars owned by members of the student body and persons kind enough to lend their cars for the show.

The atomium, symbol of the Art and Science Show is a replica of the one featured at the World's Fair in Brussels. A Time-Line, which featured periods of great inventiveness in art and science, attempted to show the relationship between artistic and scientific endeavors down through the ages.

The medieval partridge in a pear tree looks down from his perch upon the delightful sugar plum goodies prepared by the PTA for the faculty during the Christmas season. In the background are some of the paintings entered in the "Medieval Christmas" Art Contest. The now-traditional Yuletide show also displayed the Surprise Package which contained a lapis lazuli semi-precious gem.

This year Poly High was fortunate enough to have the International Red Cross show in the Howard Hicks Memorial Gallery. The pictures featured in this show came from all over the world and were on display for all the students to see. The theme of "Increased Understanding Through Art" was very appropriate for the display of international ideas. (Across page, left photo.)

The most loyal of Poly's rooters — the late Pop Hyde — is remembered in the Gallery's first show of the year, the "Rah-Rah Show!" (across page, right photo.)

The Howard Hicks Memorial Art Gallery is designed to bring a better understanding of art values to the students of Poly and the residents of the community through the medium of advertising art and displays. The gallery was honored again this year to present the only showing in southern California of the International Red Cross Art Exhibit. This exhibit features outstanding works of art by high school students from all over the world.

Autophosis, a display of customized cars, was once again a tremendous success. "Medieval Christmas," the annual Christmas show and the "Art and Science Show" were two other outstanding art exhibits. Featured in the Art and Science show were working models of Leonardo da Vinci's mechanical inventions. The Kodak High School photography contest featured many outstanding examples of photography done by Poly students.

Poly is truly grateful to Miss Elsa Warner, a major figure in Southland art circles, for her guidance in directing the gallery club. Miss Warner exhibited some of her fine paintings in a show at the Long Beach Art Museum this spring.

Gallery Directors

Student Director of the Art Gallery during the fall semester was Carol Garrigues, while Karen Wood and Sally Reed were co-directors during the spring. Under Elsa Warner's excellent guidance each show proved to be a tremendous enterprise and overwhelming success. Seated, from left to right, are Misses Wood, Warner, Garrigues, and Reed.

JONINE WRIGHT
Drama Instructor

Eddie Davis (Ron Piret) falls for Joan Carol (Charleen Voorhees) during a scene from the Senior Play, "Time Out For Ginger," while Agnes Carol (Annette Davidson) and Howard Carol (Ed Boyle) look on in parental disgust.

"It's a little late to bring morals into this." Chuck Nichols, Jim Marcotte, Don Spears, and Charleen Voorhees perform in a scene from "The Valiant."

"Ahhhhh, your mother wears combat boots!" Mary Woodin does a bit of tongue wagging during "The Fumed Oak" as Dave Innes catches up on world news and Gail Tollner turns away in complete disgust.

During one of the many rehearsals for "Time Out For Ginger," Linda Curtis as Ginger, shows off in front of her stage family by prancing around with an orange in her mouth. Included from left to right are Annette Davidson as Agnes Carol, Ed Boyle as Howard Carol, Gayle Rymal as Jeannie Carol, Linda Curtis as Ginger Carol, and Joan Bell as Lizzie.

MASQUE AND SANDAL

Does he or doesn't he . . . only his hair dresser knows. Buddy Woods and Sharon Adkinson perform magic for Charlie Brinkerhoff in one of the four one act plays, "The Wonder Hat."

Cheesecake in sneakers! Carole Mitchell, Pat Hull, and Diane Brown wiggle knees during the noontime Fashion Show put on at the Hutch by Poly's homemaking classes.

"If you want my honest opinion . . . it stinks!" Dave Innes exchanges verbal blows with Roxy Chebegia while Gail Follner continues her weeping and Mary Woodin still thinks "that lady" wears combat boots during "The Fumed Oak."

"... and to think, this is only a 48 when it should be a 50!!" Girls in the Costume Construction class somehow get spring Easter fashions and stars confused but we know from their fine stage costuming this past year that they always keep their stitches straight.

I don't get it! Why the shower cap . . . ??? Pictured below is a typical backstage scene of one of our talent show assemblies. 1920 girls wait for their curtain call. By the way what are Mulligan and Levy doing wandering around backstage? Half time do you suppose?

"Hey, Ellerman, dig these sombre sheep in church!" Stage hands add final touches to the manger scene for the Christmas pageant.

STAGE PRODUCTIONS

The students on the Stage Crew and Stage Design serve as the men behind the scenes for our many assemblies and special programs. They handle the lighting, building of scenery, and all the mechanics of a stage production. The stage classes are headed by Mr. Clyde Ellerman who gives the members special training for their various jobs.

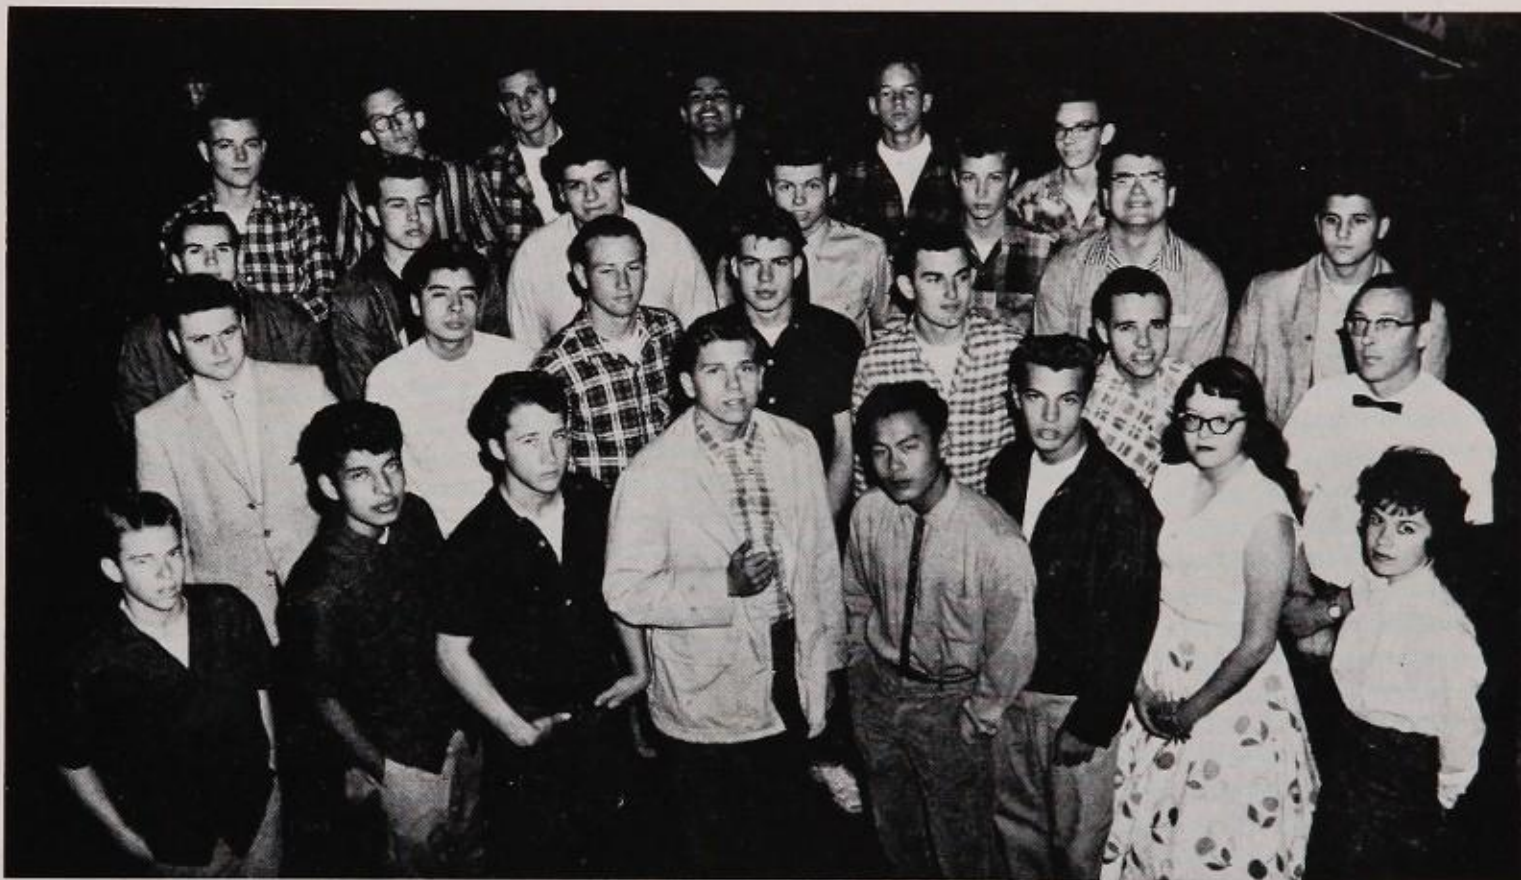

The Costume Construction class, under the direction of Clara Cramsey, makes all of the costumes for school productions. The Makeup classes do the makeup for the Christmas Concert, One act plays, and the Senior Play. This class is under the direction of Judith Barnes.

BAND

Blaring trumpets, sliding trombones and beating drums. Hail to Poly's band and orchestra at games, parades, and concerts. All praise to the leader, Mr. Robert Dill, who inspires them to spend hours in practice and preparation, thus producing excellent performances and leading spirit for the activities of Poly's jackrabbits.

Each band student participates in several musical activities

during the school year. In the fall, the band planned outstanding football game half-time performances with the Polyettes. This year Poly spent \$8600 outfitting the band in beautiful new white uniforms with green and gold trim. The Poly Jackrabbit Band was honored this year to act as host of the All-Western Band Review held in Long Beach.

Poly's band and the Polyettes roll out another outstanding halftime entertainment during a Moore League football game at Veteran's Memorial Stadium.

CHORAL SOCIETY

"Black, black, black is the color of my true love's hair. Her lips are — da, da, da, de, dum." These strains of melody and verse often came floating through the windows of room 202 where Mr. Robert Collins makes beautiful choral music with the chorus groups at Poly. And what a list of presentations these groups made in public!! They included such things as the Christmas Concert for students and parents, the colorful and outstanding Spring Concert, and the All-City Senior High Orchestra Festival.

The Madrigal Singers, an expressive and spirited singing group, often sang in public and one such showing was during the Spring Sing with their rendition of the "Peanut Vender." During the Senior Play, "Time Out for Ginger," they established the mood of football games and schoolishness by singing some of Poly's own pep songs.

It is without saying that the Choral Groups of Poly have brought honors and considerable enjoyment to the students and community.

The people who work behind the scenes to keep our school running smoothly are the unsung heroes of Poly. The assistants in the counselors office, the library, the bookroom, and the student store are to be commended for their excellent service to Poly. We also commend the print shop for their excellent printing jobs on the school publications, and the audio visual assistants for supplying the sound equipment to many of our classes.

FACULTY

To teach and guide our students
is a challenge which our Faculty meets
each day.

By leading our students
to the fountain of knowledge
they have opened up new fields of thought,
brought them deep satisfaction of accomplishment,
and inspired them to continue their
search for Truth.

As pupils,
we may show our honest appreciation by living up to
the ideals
and pursuing the quest for knowledge
which these patient scholars
have put into action.

Our Principal

Neil W. Philips

Unanimously acclaimed as being a dynamic individual as well as an outstanding supervisor is our principal, Neil W. Philips. This educator of magnetism and vitality has encouraged numerous athletic and scholastic achievements as well as establishing an admirable reputation throughout Southern California as a principal and administrator.

The infinite responsibilities of Mr. Philips include enforcing regulations, supervising and evaluating personnel and curricula, as well as coordinating, supervising, and evaluating auxiliary services. Numerous efforts are also exerted toward improving parent-teacher and public relations. Because of his humanitarian instincts, he has been credited with much of the success of our athletic and scholastic associations.

His personal interest in each student has been recognized by the Board of Education as a great asset. The direction Mr. Philips provides in relation to the education, personnel, and faculty of Polytechnic High School has helped to build our student body into an efficient and honored organization.

Mr. Philips, a very respected and admired personality on Poly's campus, has set an example for all to follow. Serving as an Ambassador of Good Will, Public Relations Chairman, Organizer of School Functions, Enforcer of Regulations, and Friend, he has proven himself to be the true embodiment of excellence in action.

ROSS WATTELET

Vice-Principal

Under the capable supervision of Our Vice-Principal, T. Ross Wattelet, Poly's assemblies, Public Schools' Week activities, commencement exercises, and special educational trips have been the very finest. The never-ending job of working with the senior boys in regards to problems of attendance, conduct, and personal problems is only a portion of his administrative functions. During the past year Mr. Wattelet has made considerable strides toward improving the operation of our school, and thereby has established an excellent standard for faculty and students to follow. Thanks, Mr. Wattelet, for a difficult job well done!

ADMINISTRATORS

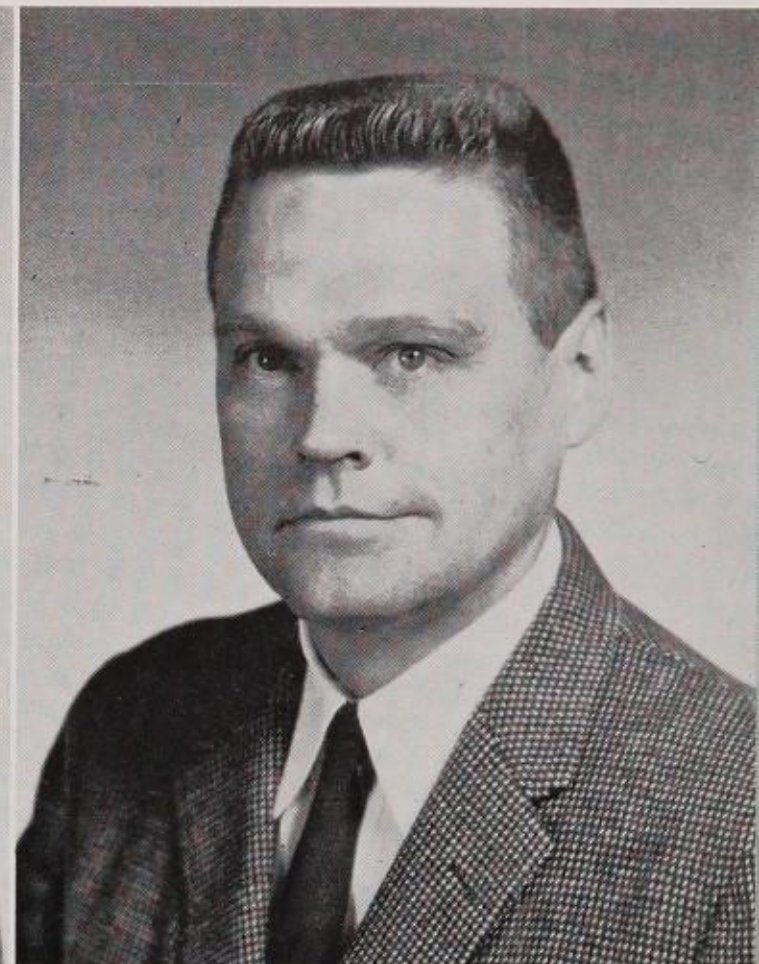

WILLIAM CARLS

Assistant Principal

LOIS ZELSDORF

Assistant Principal

ROBERT BOTTS

Assistant Principal

As an example to the student body, William H. Carls has carried out his duties during the past year efficiently and conscientiously. Mr. Carls has the assignment of helping the sophomore and junior boys with personal problems regarding cooperation, conduct and attendance. In addition to this time-consuming task he supervises the hall and grounds, attendance and lunch permits, and often assists in athletic contests.

Coming to Long Beach Poly this year for the first time, Lois M. Zelsdorf, Assistant Principal, has captured the hearts of all Polyites. Supervising the Girls' Physical Education program, sponsoring Girls' League, and taking charge of transfers, discipline, attendance, and permits for girls are among her many duties. Miss Zelsdorf exercises her duties in a very professional way, yet she is personable and a natural leader of girls.

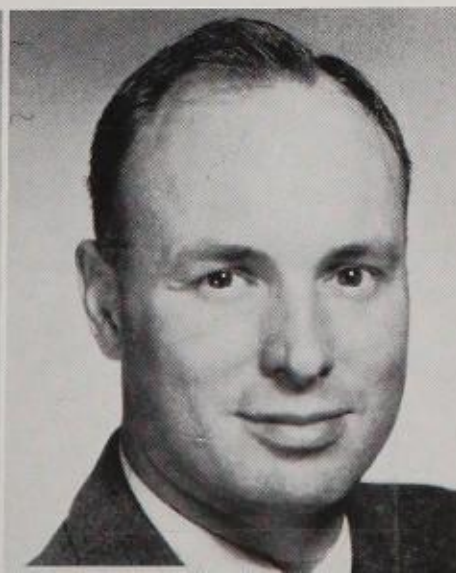

Among the duties of our busy Assistant Principal, Robert E. Botts, are such things as planning the aster Schedule, coordinating instruction, and supervising Audio Visual services. Other responsibilities include the textbook distribution system, the popular Driver Training program, and much of the paper work and detail which is so vital around such a large high school as Poly. Mr. Botts is a behind-the-scene man but we know from the effectiveness of these operations that he is a very capable and energetic organizer.

Ernest Ladd

Head Counselor

William Miller

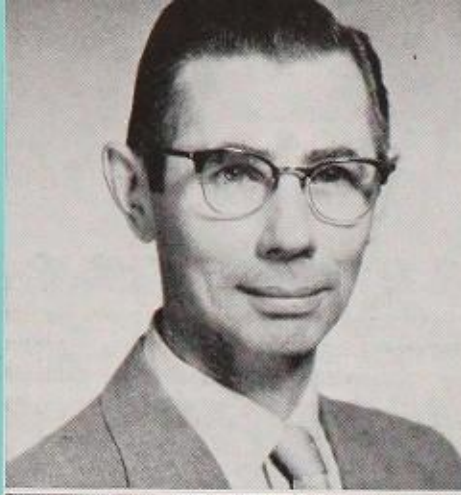

Activities Director

The counseling service is an invaluable facet of campus organization and has Dr. Ernest E. Ladd as its head. In carrying out his varied duties our Head Counselor has directed the interesting career information program which gives students a chance to explore different professions. Dr. Ladd's department also supervises students entering in competition for scholarships and other special awards. He works with interested students in gaining part-time employment and job placement.

Coordinating our complex student activities is the efficient and personable William M. Miller. As the teacher of the Student Government class, Mr. Miller has guided our officers in intelligent and effective leadership during the past year. This capable instructor handles one of the most complex activity jobs in the Poly administration. We owe him many thanks for his excellent guidance.

Jim, Grisinger's, about 4:30, bring Peggy "How did this get in here!" Hard at work, making our library run smoothly and efficiently, are the library clerks, Mrs. Betty Miller and Mrs. Dorothy Maughermar. Mrs. Miller (below, left) supervises all transactions at the circulation desk and takes care of the fines and overdue notices.....

Mrs. Maughermar (below, right) keeps the library functioning through her behind-the-scenes activities. They include supervising students' work in processing new materials to prepare them for circulation, typing order cards for new books, and preparing books for bindery.

"The best way I can describe it, folks, is this — Squirrely!!!"
These two parents appear to lean on Mr. Jensen's every word during a visit to Poly's "Mr. High Life."

"All along I thought she was just a very quiet girl. Actually, she's been asleep!" Mr. Oury appears to be making a very delicate point to these attentive parents at Open House.

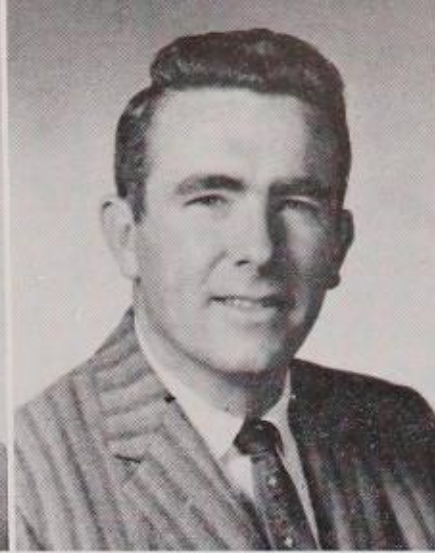

"Things just couldn't be better, dearie!"

This year's Open House offered an excellent insight into Poly's system of teaching and learning. Aided by exhibits presented by ROTC, the Howard Hicks Gallery, driver training, and the homemaking classes, parents observed classrooms and were introduced to many of Poly High's teachers, counselors and administrators.

Although some students take a different point of view (often dim) as far as having their parents talk with their teachers, the exchange is beneficial to all concerned in that a fuller understanding of Johnnie or Jane may lead to a better training in and improved counseling.

In our present age of research and space exploration electronics is a vital subject. Here at Poly fundamentals in electronics, radio repair and amateur radio demonstrations are just some of the basics learned by Poly boys. Pictured below are students who are learning to use the delicate instruments which are used in testing electrical currents and electronic components. Mr. George Wilson, Poly's electronic instructor, operates a well-organized and complex laboratory which has taken several years to develop.

The Electronics Service Team, composed of advanced students, has repaired nearly one hundred radios this past year. It has also participated in three field trips: members visited the NBC colored television facilities, the Dumont Cal Video plant (manufacturers of television tubes), and the General Telephone Company of Long Beach.

Parent-Teachers Association

"— — — and a seal's flippers look like this!" To a student of art there is a definite relationship between this animated father and this inanimate object (stabile, to those in the know!). But to the Hicks Gallery and Poly's Open House it is just a typical scene of parents getting acquainted with their offspring's teachers in a very pleasant evening of conversations about "my son" and "my daughter."

Dad, is it sick or hungry? This perplexing question has no doubt been asked by many visitors to Poly's Gallery and the enigma of the sculpture still remains unanswered. This obliging father appears desirous of having his son appreciate all the ins and outs of modern art.

This year Poly's outstanding basketball team rose from an unheralded squad to Southern California's 1960 C.I.F. Champions. This great standard of excellence once again showed the finest Jackrabbit tradition of Athletic Supremacy.

ATHLETICS

Throughout the history of mankind,
the necessity of competition has been expressed
in one form or another.

A man pits his strength
against the forces of nature or his fellow man
in order to achieve some desired goal.

He trains his body to its highest physical capabilities
in order

to catch that one fleeting moment
which separates

victory from defeat.

For, through athletics and sports, one finds
a mirror to life where

both Victory and Defeat are ever-present realities.

But, through Victory, man expresses his
greatest achievements,

and with a tradition of these achievements
a standard of Excellence
is established.

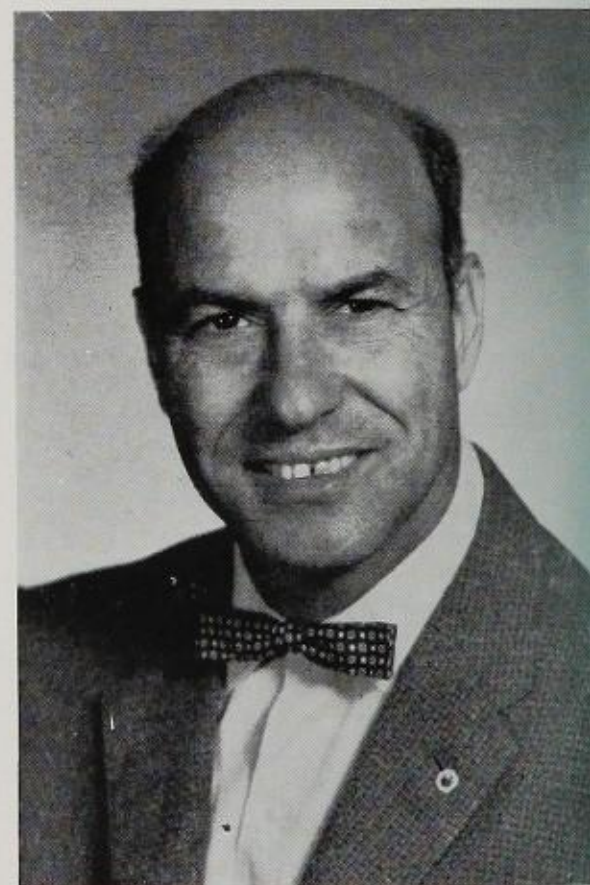

Award of Merit! Mark Reichner, Willie Brown, and Vice Principal Ross Wattlelet proudly display the 1960 C.I.F. basketball trophy won by Poly's championship team under the spirited leadership of Coach Bill Mulligan.

VARSITY GRID COACHES

Excellence is an inadequate word for the job done by Poly's trio of grid mentors. Under the guiding hand of Head coach Dave Levy, Backfield coach Bill Mulligan, and Line coach Maury Ross, the speedy Hares were able to meet and beat every opponent with a definite advantage — fine coaching. Pictured from left to right are Bill Mulligan, Dave Levy and Maury Ross.

ALL AMERICAN PREPS

Our proud All-Americans Willie Brown and Mike Giers were all smiles upon being named by Scholastic Magazine's National poll. Hare swift "wee" Willie set a new Long Beach rushing record of 1784 yards which would have been considerably less without the efforts of "Big" Mike.

**Athletic Director
SAM IANTORNO**

A major part of Poly's victories are won off the field, due to the tremendous "behind-the-scenes" work of Athletic Director Sam Iantorno. Without his leadership co-ordination of Athletic Events would be impossible. Thanks to his excellence in action, Poly's athletic prowess is carried with confidence and zeal.

FOOTBALL

Blinding speed, crushing power, and a razzle-dazzle touchdown show . . . to any student or adult who saw a Poly football game, these were the obvious comments of the exhibition.

On Friday night, December 11, 1959, the Poly High Jackrabbits met the Hawthorne High Cougars at the Los Angeles Memorial Coliseum and successfully defended their Southern California C. I. F. football championship. This marked the first time a California High School had won this Championship twice, two years in a row, and gave Poly her eighth of such Championships since the C. I. F. was formed in 1916. Led by All-Americans Willie Brown and Mike Giers, the Hares galloped their way to a 42-20 victory before 14,400 spectators.

The final game was typical of the whole season, as Coach Levy's rampaging Rabbits marched through their second undefeated year without even a smell of defeat.

Exciting victories over Paso Robles High, San Diego Union (So. Division C. I. F. Champs) and Compton marked a splendid non-league schedule. The Poly-Wilson classic proved to be the high point of the league season as the Jackrabbits downed a tough Bruin squad 35-13 before 17,600 onlookers at Vets Stadium.

The end of the season brought, not only another C.I.F. Championship but, an outstanding collection of team and individual awards. Heading these of course were All-Americans Willie Brown and Mike Giers. Previously, Willie was named C. I. F. player of the year. Lonzo Irvin was Poly's All-C. I. F. fullback. Another interesting first came out of the Hare backfield — similar to Army's "Mr. Inside and Mr. Outside" and Notre Dame's "Four Horsemen." The Poly missile-like backfield became known as the "I.C.B.M." backfield (Irwin, Crow, Brown, Martin).

Congratulations and respect go to our football team and coaches for giving Poly another great school victory.

The excellence of this Athletics section would not have been possible without the outstanding photographs provided by the Independent-Press Telegram which have been used in many of the sports activity layouts.

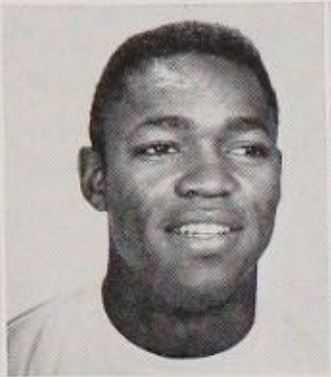

Harry J. Moore, founder of the Moore League, and Coach Dave Levy proudly hold a well-earned C. I. F. Football Trophy.

VARSITY FOOTBALL

The 1959 "Milk Bowl" was an excellent preview of the coming grid season as the local prep teams tangled before 13,590 fans at Vets Memorial Stadium, Saturday, September 28. Poly's mighty Jackrabbits were pitted against the elevens of Wilson and Millikan in two separate 20 minute quarters. The Hares won both contests, 13-0 and 12-0.

Hare speedster Willie Martin eludes a Montebello tackler enroute to one of his three touchdowns of the night. This one was good for 34 yards.

Lonzo Irvin, All-C.I.F. fullback, dealt fatal blows to Hawthorne High in the form of touchdowns. Here he reels off a 42 yarder during C. I. F. Crucial at L. A. Coliseum.

"Wee" Willie displays the form that garnered him the C. I. F. Player of the Year. During the Montebello contest of the play-offs, Mr. Brown sped to four touchdowns and 353 yards rushing.

BASKETBALL

A successful basketball season brought Poly her second consecutive major sport C. I. F. title of the 1959-1960 year, another sports first for a California high school.

The 1960 edition of the Jackrabbit Varsity Basketball Team was unique in that the Hares were far from the 'top pick' for the Moore League title, much less the coveted CIF crown.

Through the persistence of Head Coach Bill Mulligan, Poly was able to fight back from a league-opening loss to rival Wilson to win 14 straight and the title four weeks later at Los Angeles State College.

Seniors Tom Sisk, Mark Reichner, and Willie Brown guided the Rabbits with pinpoint shooting, while juniors B. J. Evans and Leddy Baker lead the rebounding department.

The Hares entered the CIF playoffs even though they hadn't won a tournament, had lost four pre-season games, and had just a 7-1 record in league play.

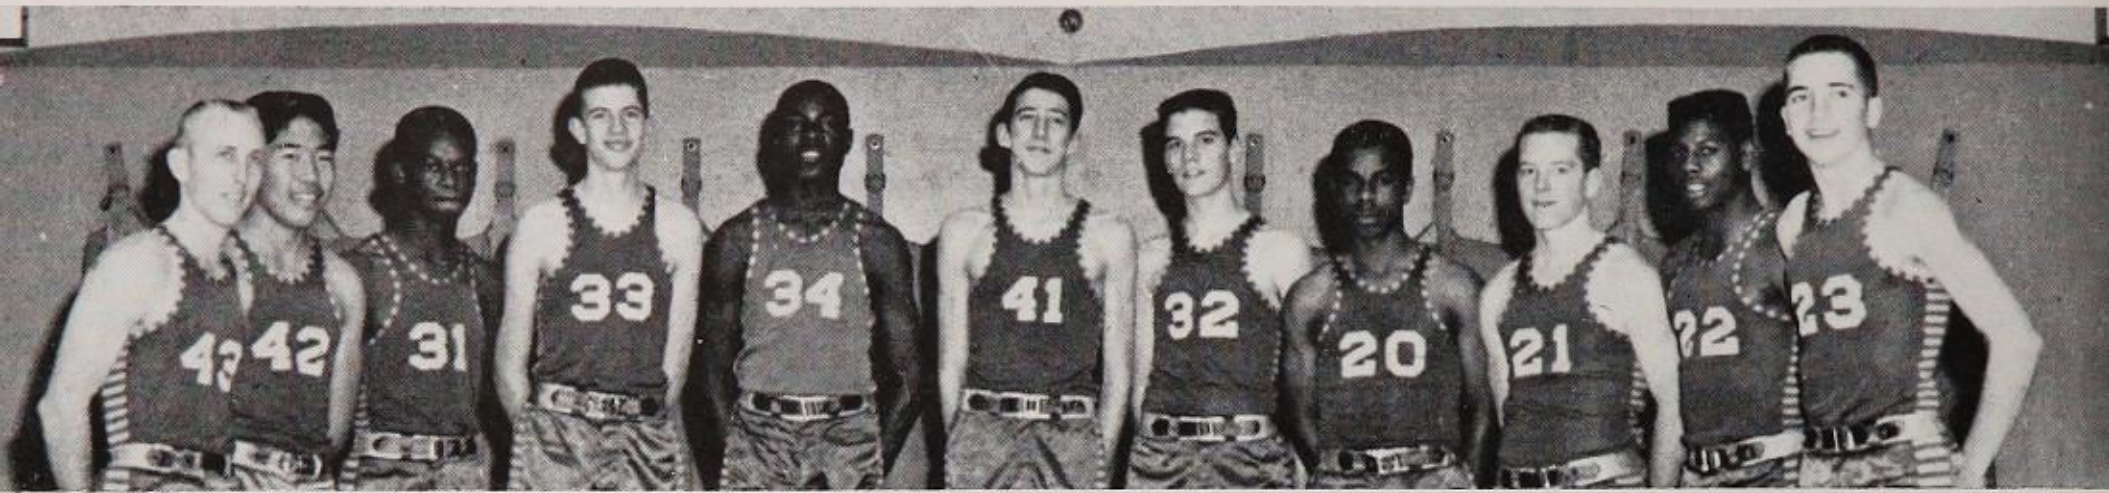

The Rabbits first round playoff dual with San Bernardino was a victory. But hopes for the same against invading Helix were meager. Most 'experts' were heralding the San Diego stars as the 'team to beat' for the title.

Poly entered the game as the underdog, but in the course of the game they changed everyone's mind. Our fighting cage stars edged the Highlanders 50-48 in the tightest fought game of the year.

From this point on, the Hares were the pick. Only San Diego Hoover rated the slightest chance, but they were knocked off in the quarter-finals by Anaheim.

Six-foot, four-inch guard Tommie Sisk spearheaded the major offensive damage with his 21.3 points-per-game average. The local paper, the Independent-Press Telegram named Sisk the All-City Player of the Year. But, without the tremendous efforts of the remaining four, plus the depth of the Hare bench, victory would have been impossible.

Coaches George Komarnicki and Andy Spaan discuss offensive plans for their respective basketball teams. These two led Poly teams to good season records.

JV Hares League Champions

JV mentor Bill Foerster guided the exceptional Junior Varsity basketball team to one of its finest seasons in the past few years. The JV Hares tied for league championship and often boosted the varsity ranks during heated contests.

Varsity coach Bill Mulligan stated, "They're the best JV team ever produced at Poly!" Some of the stars of this fine aggregation were John Rambo, Ollie Brown, Forest Lynd, Russ Jameson, and Dave Wilkins.

Fighting all the way was the Poly Bee team, making a fine showing and losing only a couple of games in the last few seconds. This year's top scorer was Alex Hornsby; other top players were Romie Hargrove and Richard Doty.

A tremendous job was done this year by Tom Jerou, Ray Gastmans and Alex Bostic who assisted our varsity basketball team throughout its past victorious C. I. F. season. Ray is our exchange student from Belgium who has gained many friends in his sojourn at Poly.

TRACK

Track, of all spring sports, reigns supreme at Poly. The Hares have consistently captured the Moore League Crown for the past several years, and this year were the defending state track champions.

Lacking the depth of last year's team, the Rabbits are still a good choice to repeat winning the crown.

Guiding Poly's hopes are distance man Dave Schinnerer, hurdler Steve Cortright, and dash men Kelton Reese and Bill Simril.

Schinnerer's time of 1:55.0 (880) and Cortwright's time of 18.8 in the low hurdles and 14.0 in the highs were each tops in the nation.

Poly's bevy of sprinters is headed by senior Kelton Reese, who sports best times of 9.8, 20.8 and 50.4 in 100, 220, and 440 respectively. Next is Bill Simril who boasts times of 9.9 and 21.0 in both sprints. Finally is Monte Rubick who has a 10 flat century and 21.5 (220).

At the Bellflower Relays, April 16, the Hares made their finest showing of the year. Poly's Sprint Medley Relay team of Kelton Reese, Bill Simril, Willie Martin, and Dave Schinnerer broke the National Record with a blistering mark of 3:29.0.

The two outstanding meets of the year pitted the Hares against the outstanding cinder teams of L. A. Jefferson and L. A. Jordan. The Jefferson meet was a replica of last year's clash as the Jack-rabbits lost by one point in the last event, the Pole Vault.

Against L. A. Jordan two of Southern California's best prep sprinters met on the Hare track, Hubie Watson, Jordan's 9.5 sprinter ran against Poly's best, Kelton Reese.

Poly's perpetual strong point has been its half-mile relay team. For the past 3 years they have won the State title in this event. The relay consisting of Bill Simril, Monte Rubick, Willie Martin, and Kelton Reese have one of the best times in the nation at 1:28.8.

Poly's Bee and Cee teams have made exceptional showings also. Pole vaulter John Champion, hurdler Theo Jacobs, and broad jumper Charles Howard have been consistent point getters.

Many thanks to Poly's ovalmen for retaining our Moore League Championship.

Willie Martin, star quarter-miler, strains for tape in victorious 440 during Wilson dual meet. Willie entered CIF finals undefeated and was a member of the Nat'l record breaking sprint medley relay team. **Billy Simril**, a 2 year Varsity letterman, pushes into a close second behind Martin with a blazing time of 51.3.

Cross Country Track

"Jackrabbit Harriers," became a feared name among all schools that competed against the Poly High Cross Country team in this, the greatest year for athletics in the history of Long Beach Polytechnic High School.

Paced by such stalwarts as Dave Schinnerer, Ron Lemon, and Robin Fraser, the school of the "Green and Gold" experienced one of its finest seasons to date.

After beating favored Millikan and highly rated Wilson the team experienced a bit of the Asian flu, and lost a narrow decision to Downey High. This forced Poly and Downey into a first place tie at the end of the League.

Much credit should be given to the fine coaching job of Leon Forman and his assistant Ed Rice for taking a good team and whipping it into championship material.

Behind the excellent coaching of Howard Thayer, Poly High enjoyed a better-than-average year in Moore League swimming. While our varsity was placing second in the league, the Hare Bee aquamen were taking second in CIF behind California High.

Every team has its stars and three men fulfilled this roll. Doug Kastner, Riley Quayle, and Phil Darney were a few of the many responsible for this season's fine showing. Quayle's 58.7 in the 100 yard butterfly set a new CIF record.

Along with our fine water polo record, one can well appreciate Poly's fine water sports record for the year 1960.

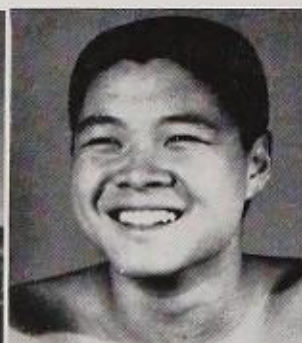

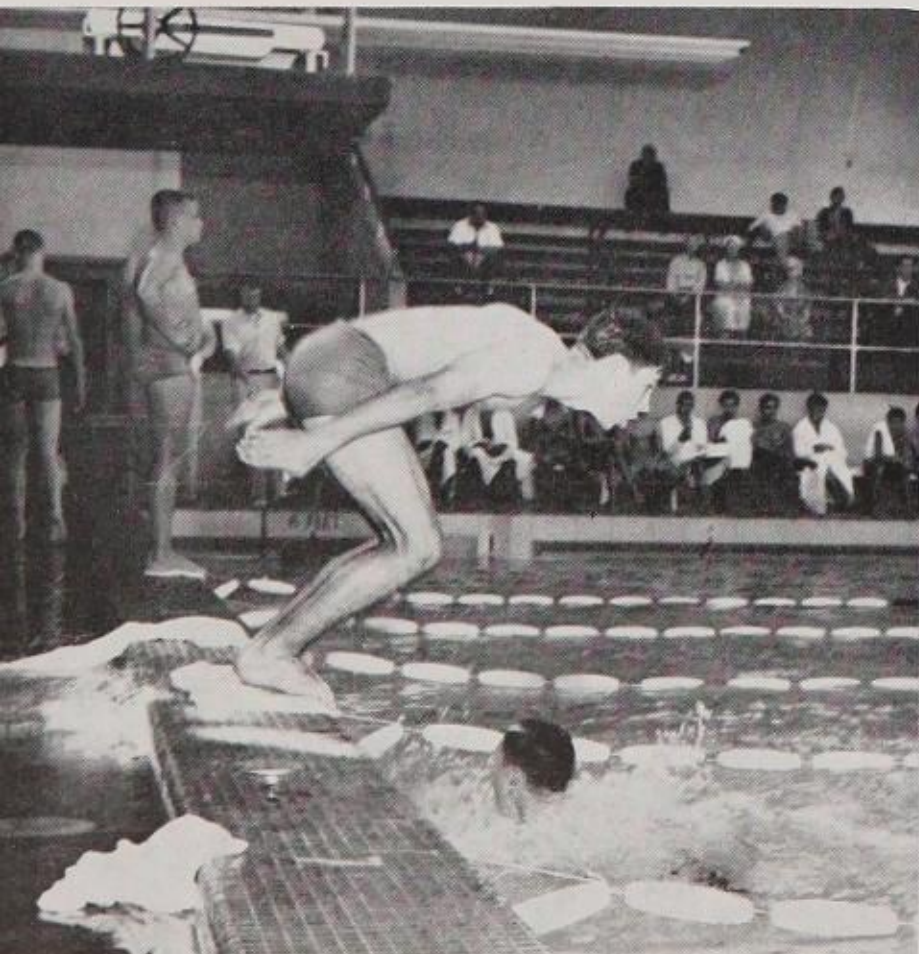

Phil Darney and Riley Quayle, two of Poly's better swimmers this past season, negotiate a racing turn in an attempt at victory in the 200 yard butterfly stroke. They tied this practice run at 59.1, an excellent timing for any race.

BASEBALL

1960 marked baseball's spectacular debut as a major sport in Long Beach prep athletics. And, the Rabbit horsehidors lost no time in establishing themselves as "the-team-to-beat."

Spearheaded by seniors Tom Sisk, Brian McCall, Willie Brown, and Bud Hollowell, the Hares were able to cut their way through the tough Moore League and enter the C. I. F. playoffs with a 6-3 record.

The Hares held a dominant hand over formidable League foes and were handed only three setbacks.

Star hurler Tom Sisk sported the league's best earned run average with a .068, while Willie Brown was the big gun at the plate with a .411 average.

This season found the Hares entering the C. I. F. playoffs for the third consecutive year. Last year the Rabbits were knocked off by underdog Santa Ana 9-4 in the second round.

The innovation of night baseball cast a new enthusiasm on competition as local nines battled under the lights. Blair Field, one of the few authorized major league fields in Southern California, became the home of Long Beach Poly Jackrabbits.

Nine seniors, six juniors, and three sophomores culminated the varsity squad. Returning lettermen are Garry Poe, Gary Korsmeir, Harvey Crow, Alex Hornsby, Carl Washington, Ollie Brown, Charles Williams, Jim Welch, and Charles Weaver.

VARSITY TENNIS, Second row: Coach C. Beck, G. Leach, A. Robbin, J. Bennett, L. Rice, B. Dailey, L. Spath, B. Murphy (mgr.)

Mulling over the outcome of this year's tennis season are coaches Kermit Epperly (left, above) and Clyde Beck (right).

TENNIS

Under the tutelage of coach Clyde Beck, this year's tennis team has once again proven itself as a worthy opponent for any team in the Southland.

Spearheaded by the excellent shotmaking of tennis aces Jerry Cromwell and Jerry Leach, the Poly varsity dumped such teams as Compton, Excelsior, and arch-rival Jordan.

The two Jerry's were also sent to represent Poly in the Ojai invitational Tennis Tournament and the Dudley Cup which was held in Santa Monica, California. In both of these tournaments, the Cromwell-Leach duo made an excellent showing.

The solid play of Allen Robbins, Sam Smith, and Lee Spath rounded out the team and supplied the varsity with its necessary depth.

Another coveted C. I. F. championship crown was gained for Poly High when our Golf Team won the cup in the C. I. F. playoffs at Brookside Park in Pasadena. Spearheaded by the excellent play of Bob Small, the school of the "Green and Gold" fielded what can be considered to be the best team in the history of the school.

During the 1960 season Poly played 19 matches. Twelve of these were league play, six were practice, and the last was the CIF playoffs. The team won all of its matches including the CIF title. On their way to winning the coveted crown, the team recorded wins over Wilson, Downey, Warren, Garden Grove, Montebello, Morningside and many others.

The strength of this year's team was their great depth. On any given day any one of seven men (Roger Cleveland, Mike Davis, Dave Elder, Jim Matlock, Bob Small, Terry Small, and Al Emmons) were capable of holding the number one spot on the team. Indeed the competition was so keen on the squad, that when it came time to pick the five for the CIF playoffs, three men had to play 26 holes to see who would capture the fifth spot on the team. The winner, Roger Cleveland, won over Terry Small and Al Emmons for the berth. Emmons and Small were sent to the CIF playoffs as alternates.

The team's average for the entire season was an unbelievable 75. Their average in the playoffs was another astounding total of 76.6. When coach Sam Dimas was asked to comment on the team's success he stated, "These kids were determined to win the CIF, so, they went out and won it!"

GIRLS' SPORTS

The Girls Athletic Association is designed to encourage all girl students of Poly High School to participate in wholesome physical and social activities.

The purpose is to develop sportsmanship and to create and maintain interest in the different sports and activities and to encourage group participation.

The calendar of events at Poly offers a diversified program throughout the school year.

Girls may participate in volleyball, basketball, tennis, swimming, golf, bowling, softball, modern dance, badminton, and hockey.

Fall semester there were playdays with Downey and Lakewood.

At another time the Executive Board for G.A.A. went to an all-city affair at Millikan which is called the "Quin School Meet."

At the beginning of the semester there was a "Get Acquainted Tea" to introduce G.A.A. to the new girls at Poly.

Two other fall semester highlights were the "Poly Volley," an interclass volleyball tournament, and a "Valentine Tea" where G.A.A. members received their awards. Spring semester also saw a very busy calendar.

There were playdays with Jordan and Millikan and a Girls Athletic Federation conference held at Redondo Beach High School.

The "Bunny Bounce," an interclass basketball tournament, proved to be a tremendous success. At another time the Poly G.A.A. hosted the "Quin Meet" where new ideas were exchanged on sport and social activities. To climax the year, the annual G.A.A. Awards Banquet was held — the theme was "Olympic" and proved to be a gala affair.

The Girls' Executive Board is active in the many different G.A.A. activities offered through the Girls' Physical Education Department at Poly. They plan the "Poly Volley," an inter-class volleyball tournament, the "Bunny Bounce," an inter-class basketball tournament, and the "Poly Folly," a modern dance production that is composed of dancers from all the different dance classes.

Bounce the ball off these strings and not the woodwork!! Tennis is a very popular sport for girls at Poly. Mrs. Leistikow is showing Shirley Polk how to line up a tennis racket so that Shirley can get the correct grip.

Swimming, a universally enjoyed sport, is a favorite of many Poly girls. Advanced Swim Club, made up of approximately fifty advanced swimmers, has participated in, and won numerous playdays with various high schools. Competitive and synchronized swimming were the highlights at these playdays.

In February a P. T. A. swimming demonstration was put on by this group. They concluded the year by creating and practicing several complex water routines for next years water show.

This year the number of girls interested in bowling has become very large. There are teams of four members who bowl in league competition. Carole Halpern, Phyllis Goldberg, Doreen Berlow, and Lucy Alvarez make up this year's winning team.

The purpose of Girls' Bowling is to promote good sportsmanship and to create leisure-time interest which can be carried throughout life.

What a graduating class we are going to have in 1962! Already, they have shown a tremendous enthusiasm for their class and student body activities. Riding on the tide of their enthusiasm are their class president, Nikky Sakimoto and Cheryl Raimer. These outstanding leaders have organized their class activities, including the Sophomore Dance and two Hi Jinxes.

Enthusiasm for excellence played a large part in their other accomplishments also. They have placed many students on the CSF membership list this year, including their Committee of Five representative, Glen Scofield. Individual students who have gained recognition in the field of athletics are Charles Williams, who is outstanding in football and baseball, and Vicki Van Hook, a world champion water skier. This is truly a class which will uphold the Poly tradition of excellence in action.

Vice-President

FRANK HAYMAN
President

Sparking off the year with a round of activities, the junior class sponsored two Hi-Jinxes, a Junior Dance, and a program honoring class representatives, "Representative of the Week." This enthusiastic class, under the leadership of capable Ruby Hada and Frank Hayman, has had the initiative to look into the prospect of having a new type of class jewelry. This jewelry, which resembles the style used by most colleges, will be available to all students next year.

Scholastically, the junior class has also been outstanding. On the national ITED English test, they scored in the 69th percentile, 19 points above the national median of 50. Individuals who have been outstanding this year were Steve Gilbert, who achieved a perfect score on the PSAT, Roberta Montine and Dave Starr, who represented Poly on the Independent-Press Telegram's Teen Tempo Staff, and Margaret

Price and Dave Starr who will represent the juniors this summer at the Girl's and Boy's State Conventions.

Juniors have also contributed much to our championship football and basketball teams. This year's lettermen, a number approximating fifty, will be welcomed back into training periods next year. Not to be overlooked are the outstanding junior girls. Billie Jean Moffitt, a nationally known champion tennis player, and Charles Huey, who is very active in GAA, are well known at Poly for their achievements.

Other juniors who have contributed to a successful year were our talented singer, Roxy Chebegia, and Art Reynolds and Cliff Peterson who have entertained at several Hi-Jinxes.

Poly is proud of her outstanding junior class and is looking forward to their continuing achievements when they return as seniors next year.

ORGANIZATIONS

Bringing together new students
And encouraging
the continuation of old friendships,
The organizations of Long Beach Poly High
Provide opportunities
for the students to
Understand one another,
Develop leadership abilities,
Participate in community improvements,
Promote lasting friendships,
And consolidate in their lives
The happiness and growth of character
which comes from
Respecting and enjoying the fellowship
of others.

Foreign Exchange Students

Winning smiles from any land! Shan Hosegood from England and Ray Gastmans from Belgium are Poly's Foreign Exchange students. Through their friendly and outgoing way, we of the U. S. have been given a greater understanding of England and Belgium.

They have spent the past school year living with two American families, besides attending regular classes, and learning about the functioning of our government, they have been busy participating in numerous social and welfare activities.

Shan's activities this year include Lambda Phi, A.F.S., Student Government, and Bohemians. This spring her outstanding art work was exhibited in the Outdoor Art Show.

Ray participated in Student Government, A.F.S., Key Club, and Math and Science Team. He gave his support to our Basketball Champions by assisting as manager.

Purchasing their A.F.S. Shares from President Linda Sully and Secretary Carol Rollo are Ray

Future Teachers of America

Demonstrating the results of excellent instruction and facilities, Barbara Mullin experiments with the world of chemicals. Poly's classrooms are arranged with full emphasis on efficiency, student growth, and "learning through experience."

Math and Science Team

Poly's Math and Science Team is a hard working group of boys who like to investigate and explore the fields of numbers, physical laws, and abstract reasoning. They participated in a math contest at Occidental College this year, besides winning second place in three dimensional Tic Tac Toe. Pictured above, from left to right are: B. Menzies, S. Gilbert, J. Gordon, Mr. Clark, B. Stanton, C. Jeans, R. Gastmans, Mr. Robinson, D. Maxwell, M. McConnell, D. Campbell.

Fourth row: M. Nalevanlso, A. Greenberg, D. Bilderback

With warlike grimaces, four German warriors, Jim Johnson, Ron Deaton, Tony Vienna, and Gary Rollefson, display the convincing garb with which they terrorized enemy Romans. "Invading" the Latin Club Banquet, German Club members followed their barbaric ancestors by feasting and just generally enjoying themselves.

While Ron gainfully employs his sword in defending himself from fellow barbarian Jim, Gary makes sure that Tony's throngs are securely fastened. Their outfits are authentic and obviously effective. Clever, eh?

Feasting at their Annual Banquet, members of Poly's Latin Club enjoy delicacies provided at this intriguingly exotic affair. (Pictured below)

An active foreign language organization under the sponsorship of Mr. Dick Sullivan, Latin Club is recognized on campus as an enthusiastic and worthwhile club planning many outside activities for its membership.

Fall semester leaders, Ralph Acosta, Ed Long and Ginny O'Dowd, balanced their power in directing "Roman" affairs. During the spring term, Latin Club was led by Carol Garrigues and Dave Tulo.

EEEEHK, KERBLAAM! Ready? Okay, that's just fine! Smile! Hold it! Wait — will the girl in the gray skirt put your right hand up on her shoulder, chain-gang fashion? Fine! Good! Just fine. Okay ——— **SMILE! Hold it! Wait — Hold it! HOLD IT!**

EDITOR'S NOTE: (It's apparent from the picture below that these campus lovelies just couldn't hold it!)

"Increased Understanding Through Art," the American Red Cross student art show exhibited in the Hicks Gallery, was presented to the Poly student body which was fortunate enough to be one of the few schools in the United States to see it.

Flag Detail

It's 8:23 and the bugle sounds! Across the campus students come to attention as the flag is raised. Because of the hard-working dedication of Poly's R.O.T.C., we enjoy an impressive ceremony each morning. Following this display of respect for our country's flag the students proceed to their first period classes where they pledge allegiance to their country and its principles. What better way could be spent in starting off each new school day when we precede our lessons with acts and words of homage to our American symbols and its government.

Encircled in an atmosphere of gaiety and frivolity the students of Polytechnic High School exercise their abilities to dance, play ping-pong and pool, watch television, and socialize at the Hutch.

Because of the varied facilities and numerous events sponsored by the Hutch the members have been provided with a recreational center where one may be entertained, participate in the activities sponsored, or merely be content to converse with the congenial individuals present.

The members of this center have encountered for themselves an area of unceasing enjoyment as illustrated by the picture to the left. It symbolizes the gaiety and compatability of the students as manifested in their cheerful expressions and energetic actions.

Enjoying a typical Hi Jinx with typical enthusiasm, two senior boys battle for a high-flying ball during a volleyball game. The Hi Jinx, a recreational activity sponsored by each class, has contributed to school spirit, encouraged competition, and provided fun and entertainment for the contestants.

With emphasis on class participation, spirited volleyball teams compete for championship plaques. Refreshments and various types of dancing follow the awards presentation.

Hutch

Poly's Hutch, center of many social recreational activities in the past year, is a popular Monday, Wednesday, and Friday meeting place for many students. Hutch-sponsored dances have been popular and well attended. After Poly's sports' victories, the Hutch becomes a post-game scene of celebration and tribute for our conquering athletes.

Under the leadership of fall semester president, Ruth Searcy, and spring semester president, Bill Crawford, the Hutch has presented a varied and enjoyable program for all Polyites.

Teen Tavern

During the fall and spring semesters the Teen Tavern has organized and presented many activities for the benefit of its members. Presidents Carolyn Cobb and Art Reynolds, both capable leaders, have kept a steady line of dances and parties on the agenda.

A Valentine Ball, highlight of the spring semester, presented Queen Hilda Sims to her subjects as reigning beauty.

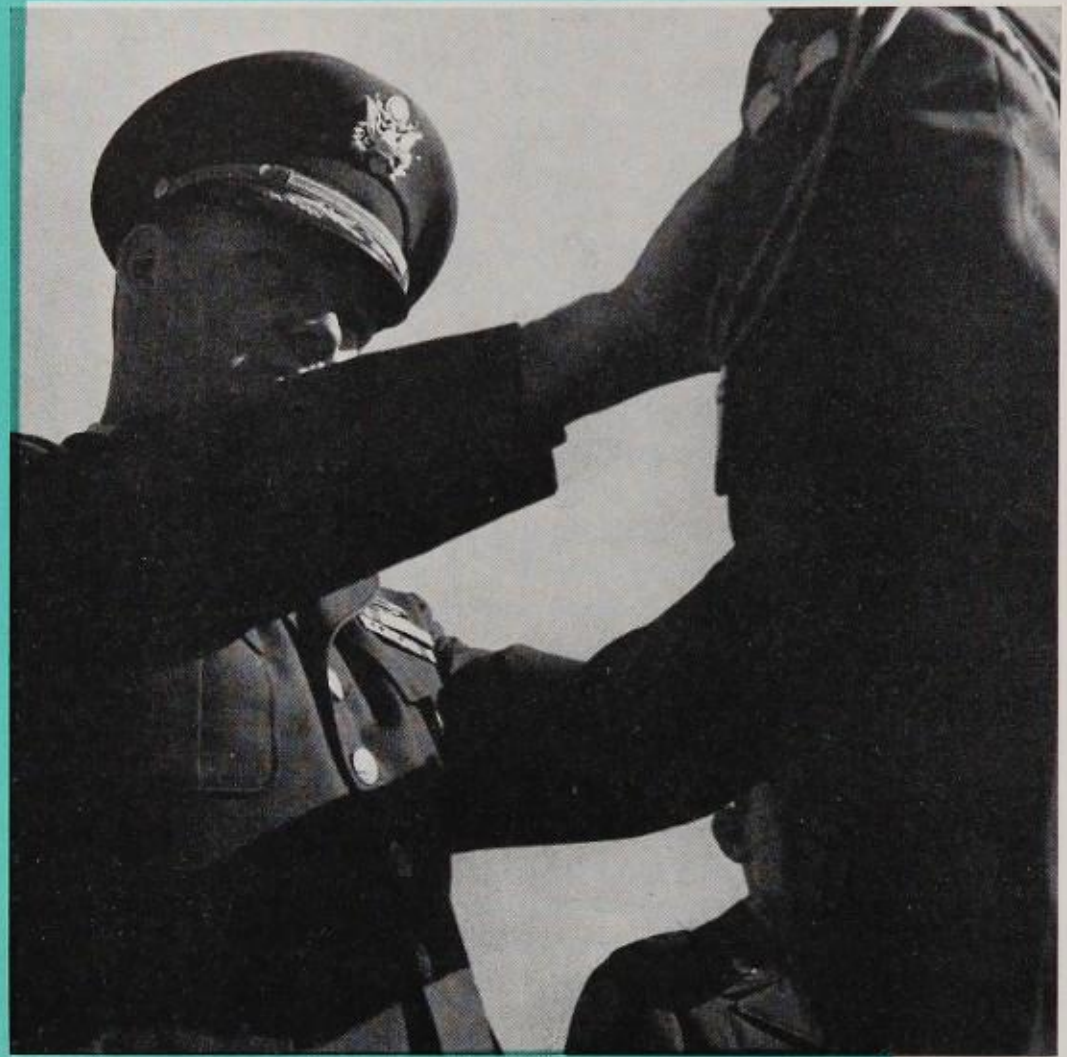

"Oldies, But Goodies" night, which brought back fond memories and old records to the assembled participants, was a highly successful affair for the Teen Tavern. This Recreation Center has been an important part of Poly social life during the past year.

SENIOR CLASS

Top to bottom: Ralph Ridgeway, president;
Lavonne Hyden, secretary; Jim Miller,
vice-president

Three years ago the class of 1960 entered Poly. It wasn't long before they proved to the student body that they would be a class which would place excellence as their goal, and would achieve it. Compared with past graduating classes they have been awarded the highest number of Gold, One-Jeweled, and Two-Jeweled L's. Likewise, there are more students who have attained membership in CSF than in any other class in Poly's history. Proving that their goal of excellence is extended through all phases of student life they have brought home an impressive total of five CIF athletic championships.

Their initiative has also brought privileges such as a Senior Assembly, and an off-campus Senior Prom, the first in Poly's history. Truly, the Class of 1960 has proved that they are the epitome of excellence in action.

Pictured below left are the fall representatives: Front row, left to right: C. Hachmeister, S. Rukes, F. Albert, C. Colmar, L. O'Neal; Second row: R. Ptolemy, S. Scott, M. Huff, V. Kelly; Third Row: T. Katz, D. Weber; Fourth row: J. Shaffer, T. Sweeney, P. Barker.

Joni Darling,

Well loved this is it,
last year in my Ceaculea
you wrote that this year we
would be seniors. Well we are
and to tell you the truth I can't
believe it. You have been ~~my~~ my best
friends & I like you very much. Don't
ever change and you will go far. I am
sorry about the wedding but some important
business came up and I couldn't make it.
I hope you will forgive me. In the past we have
had a lot of laughs & a lot of fun. I hope this
friendship will continue and that we will
never loose contact with each other. Well sometimes
is passing and so I had better close for now.
Good luck in your new job and don't let it get
you down. I hope you meet a boy that is as nice
& sweet as you are. You deserve all the happiness
in the world.

Love Always

Dear Shirley,

To a very nice and sweet girl. Sure have
enjoyed knowing you this year. And I sure
hope you had a lot of fun in your last
year of school, Shirley.

The first time I met you, I never
dreamed we would end up going to the
Senior prom and all-night dance together.
We sure had a lot of fun at the Senior
prom and I don't think I'll ever forget
it. And I bet we have a ball at the
all-night dance, too!

The best of luck and happiness to you
always and may success follow you.

Your friend,

Dear Shirley,
 I have had
 fun knowing you this
 year, and you have quite a
 nice personality. Be a good
 girl this summer, and for pet's
 sake stay out of trouble. Not
 that you had
 fun at home, but at the
 "all night" more. I hope you
 the fun we had at your parties

Dear Shirley,

Though I've known you for quite a few years, I sincerely believe that we've become closer this past year than ever before.

You're a wonderfully friendly person with a marvelous sense of humor. You deserve all the good things that life has to offer you, ^{and} I know that you will certainly get them.

You don't know how much it has meant to me to have you take me out to the hospital. ^{and} I will always be grateful to you, ^{and} don't forget to keep in contact with us after school is out. I'll see if I can't get some situation fixed up between you ^{and} you know who? I'm certain that you two would get along with each other.

There is a someone for everyone in the world ^{and} believe me, when you find that certain someone you will have a rich ^{and} rewarding life together, for you're a wonderful, wonderful person.

Remember me 'kindly' as you look at this page years from now. God Bless you.

Your Friend Always,
